ABOUT THESE FIGURES

Every competitive game with a recorded result between 1 Jul – 28 Oct 2026, taken from the fixtures and results that CoachSmart syncs from the Dublin GAA, LGFA and Camogie fixtures systems. Scores are shown with Clontarf first, and margins are in points with a goal worth three.

Winners and runners-up come from finals with a recorded result. League positions are worked out from every recorded result in the division, so walkovers and unplayed games can move them. Only CCC2 competitions (Under 13 to Under 16) are included, and 8 walkovers are left out of the records.
