ABOUT THESE FIGURES

Every competitive game with a recorded result between 1 Jan – 28 Oct 2026, taken from the fixtures and results that CoachSmart syncs from the Dublin GAA, LGFA and Camogie fixtures systems. Scores are shown with Clontarf first, and margins are in points with a goal worth three.

Winners and runners-up come from finals with a recorded result, plus finished leagues where Clontarf ended clear at the top of the table. League positions are worked out from every recorded result in the division, so walkovers and unplayed games can move them. Every team from Under 12 to Adult is included. Under 8 to Under 11 play non-competitive Go Games with no results kept, so they are not in the figures. 60 walkovers are left out of the records.
